Zed & Bee Invitation Boutique

MAY 6TH, 2010

I'm always jazzed to be introduced to new stationery and invitation boutiques, and I was absolutely delighted when sisters Zoe Ritch and Billie Shennen contacted me to let me know about their completely swoonworthy new collaboration, **Zed & Bee**.

Based in Leichhardt, a western suburb of Sydney, Australia, **Zed & Bee** specializes in exquisite invitations and announcements for weddings and social occasions, and sisters Zoe & Billie will soon be launching their 2010 stationery collection, as well. Until then, I'm drooling over their bespoke lovelies, which include a wedding suite featuring a jawdropping Jewish paper cut by **Made by Julene** (top), a black on black creation featuring a black wax sealed envelope that I can't stop staring at (above), and candy colored save the dates and wedding invitations with gorgeous patterns.

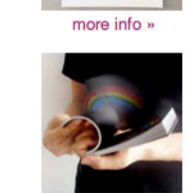

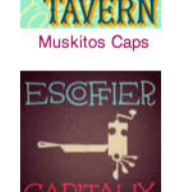

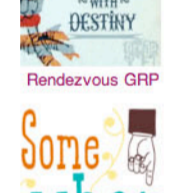

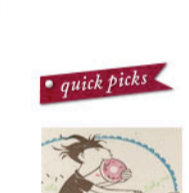

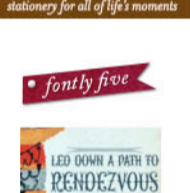

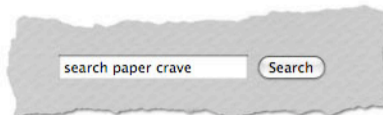

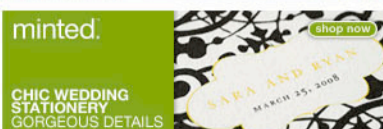

Tempting eye candy in many different flavors from Zed & Bee:

I absolutely adore the commemorative tea towel featured in Isabella's Kitchen Tea announcements:
